THIS IS UNEVALUATED INFORMATION

1. A resistance group, under a Major Arsenescu*, formerly of the General Staff, is located in the mountainous area of Muscel County. No information relative to the size of this resistance group is available.
2. General Nicolae Radescu's popularity is enhanced by memory of his earlier activity in Rumania. King Mihai, however, remains the most popular of all the Rumanian exiles.

25X1 Comment: This headquarters has no previous information concerning a Major Arsenescu. There is a Lieutenant Colonel Arsenescu, born in 1907, who began his military training in 1929, and who entered the cadet school in 1930, and who was promoted to second lieutenant in 1931. On 1 May 1948 he was promoted to lieutenant colonel and during that year was appointed assistant professor of infantry tactics in training courses for colonels. In September 1948 Arsenescu was appointed military professor.
